

# NUTRITION AND HEALTH STATUS OF NEW CANADIANS: READINESS FOR CULTURALLY APPROPRIATE CARE

13 juin **2019** June 13

Sheraton Centre Toronto Hotel

123 Queen St W, Toronto, ON M5H 2M9

Join us to learn from leading experts in the field of immigration health who will provide perspectives from researchers, service providers and policy makers on:

- Nutrition and health status of recent immigrant and refugee children and their families,
  - Culturally appropriate care in the field of nutrition and health, and
  - Challenges and opportunities toward access to culturally appropriate nutrition and healthcare services.

Early bird registration ends on April 28th, 2019
